Lampton Road and Bath Road exhibition

Fri, 30 October 2015

Bouygues Development and Notting Hill Housing are seeking views on the proposed redevelopment of the current Hounslow Civic Centre site in Lampton Road for much-needed new housing.

This proposal would involve the relocation of the Council offices together with the library to Bath Road in Hounslow town centre. Local residents, businesses and all interested stakeholders are invited to attend any one of the free consultation events where they can find out more and ask questions.

The events will take place on the following days:

- Thursday 5 November 9am to 9pm, Hounslow Civic Centre, Lampton Road, Hounslow
- Friday 6 November 9am to 5pm, Hounslow Civic Centre, Lampton Road, Hounslow
- Saturday 7 November 10am to 4pm, the Treaty Centre (outside Debenhams), High Street, Hounslow.

New Homes at Lampton Road

The proposals include the residential development of Hounslow's Civic Centre site in two phases, to provide much-needed housing for local people. With financial help from the Mayor of London, hundreds of new homes will be built on the site instead, at least 40 per cent of which will be affordable housing

New Civic Centre at Bath Road

The Bath Road site is owned by the Council and is currently a car park. The development will help regenerate this part of the town and create a new Civic Centre that will provide a modern cost efficient and state-of-the-art civic centre for Hounslow Council and the local community. The new Civic Centre proposals include a library, registrars as well as landscaping / highway improvements.

A website has been created where people can give their views on the proposals -
